

Certificate

Vöcklabruck, 24th of January 1996

We, E. HAWLE & CO. / AUSTRIA, certify hereby that Messrs D.I.O., 7th of TIR Industrial Complex, Isfahan/IRAN, is our licensee for the production of resilient seated Gate Valves from DN 50 mm up to DN 300 mm, PN 10 - 16, with flanged ends and spigot ends.

According to our regular quality checks, we can confirm that D.I.O. is already in the position to produce the main parts of the flanged Gate Valves in the dimension of DN 80 mm, DN 100 mm and DN 150 mm locally in their facility in Isfahan/IRAN.
